

Dear Student,

In order to access some of Kaiser Permanente's resources, you will need to set up a National User ID (NUID).

To set up your account:

1. Please go to the website: <http://epf.kp.org>.
2. Click on the green button with the words "Sign on."
3. You will then see the WEB SINGLE SIGN-ON (WSSO) screen below. For new users, click the link on the far right, "Activate your account."
4. Enter your NUID and it will ask you for your name and the last four digits of your Social Security Number. You will then be asked to create a password and set up security questions.
